

October 13, 2017

Good Afternoon Skating Families,

We will begin Team Jacket Sales starting tonight at the TBSA Countryside Spooky Blades competition. This years jacket is a new style from Capezio but will have the same TBSA Countryside Logo on the back; skater names will be embroidered on the front and jackets are black in color. Samples are available at the rink for sizing. *This is a great way to represent your team at competitions!*

There are Adult and Youth Sizes available from S-XL. **Pricing for TBSACC Members is \$60 and the Non Club Member pricing is \$70.** This pricing is only for a limited time due to a rush order request to receive the jackets in time for the RDV Competition later this month. **The deadline to order your jacket at the above pricing is Tuesday, October 17th.**

If you wish to place a jacket order after this date, the pricing will increase to \$70 for Club Members and \$80 for Non Club Members. You are able to put a deposit of half down to order at the lower price and pay the balance upon picking up your jacket.

Order forms are attached and will also be available at the rink. Credit Cards and checks accepted (checks payable to TBSACC). You can email completed forms to me and call with your credit card numbers or bring your completed forms and payment to the rink tonight, Saturday morning, Monday night or Tuesday evening - *look for a Board Member who is there collecting.*

If you have any questions, please contact me or another Board Member. Thank you!!
